# INTRODUCING - CARNIVAL VISTA

Carnival Vista unleashes the fun of the open sea. Built to inspire big fun among our guests, the Carnival Vista lets the good times flow in an open and inviting environment that takes Fun Ship 2.0 to new heights. From the all new spacious family suites and supped-up SportSquare, to the first ever IMAX theater at sea, there's plenty of room for everyone to gather around for a great time.

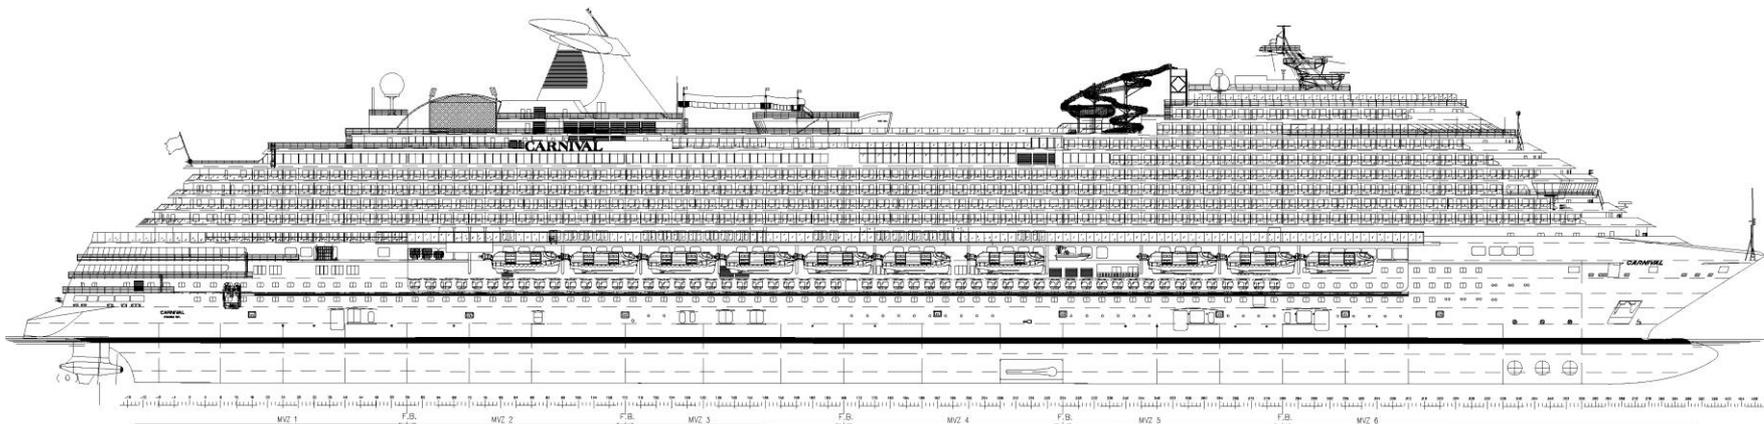

But when friends and families set sail aboard the Carnival Vista, they're getting more than a memory filled vacation. They're getting a CONNECTION TO THE OCEAN; a place where salty breezes and spectacular views linger around every corner.

The Carnival Vista brings the indoors to the outdoors, letting cruisers soak up every moment of sun and every ounce of enjoyment they can. With numerous open spaces that blend fresh air with comfortable accommodations, it's easy to see why this ship's in a FLEET ALL ITS OWN.
